- [Online Patterns of www.titticad.com](http://www.titticad.com): After entering the measurements and requesting the Free Preview, it is shown at the bottom of the page **Arrangement on fabric and required fabric length**.

The vertical arrow indicates the quantity of fabric required, while the horizontal arrow indicates the width of the fabric, it can be double fabric (when 75cm is indicated) or single fabric (when 150cm is indicated).
