

JACKET

MODEL A-09

MODEL A-09

DESCRIPTION MODEL A-09

- Short jacket, with a semi-fitted line.
- Shaping darts in front and back.
- Particular shape of the shawl collar.
- Round sleeve.
- Internally finished with placket and lining.

VERY IMPORTANT FOR THE REALIZATION OF THE MODEL IS TAKING THE MEASUREMENTS.

In the MEASUREMENTS page, selecting “**Show dummy for measures**”, a dummy is displayed.

Selecting a box for entering measurements, for example Person Height, indicates how to correctly take this height.

Your Measurements must be entered as requested, then it is the TittiCad program that processes them so that the original proportions of the model chosen by you adapt to your measurements.

THE A-09 MODEL IS COMPOSED OF THE FOLLOWING PARTS:

N.1 FRONT. Once on the double fabric.

#2 BEHIND. Once on the fabric fold. (FOR LINING, REMOVE 2 CM FROM THE HEM)

N.3 SLEEVE. Once on the double fabric. (FOR LINING, REMOVE 2 CM FROM THE HEM)

N.4 FRONT PANEL. Once on the double fabric.

N.5 FRONT OF LINING. Once on the double fabric.

Note:

The pattern already includes seam allowances.

MATERIAL REQUIRED FOR THE REALIZATION OF THIS MODEL

The fabric of the model in the photo is pure wool.

- Recommended fabric: wool or cotton gabardine, denim, cotton twill. **QUANTITY** see following page. • Heavy lining. **QUANTITY** see following page. • Medium-weight thermo-adhesive cotton canvas for collar and facings. • A snap button. • Sewing machine thread.

Being a made-to-measure model, it is not possible to indicate the right quantity for all the materials required.

You will have to measure it appropriately.

PATTERN ON FABRIC AND QUANTITY OF FABRIC NECESSARY

There are 2 possible cases, depending on whether you are using the TittiCad Program (installed on your PC), or the Online Pattern Making Service (present on the website www.titticad.com):

- TittiCad program: By opening the PRINT page and selecting the **Arrangement on fabric** item from the "List of Available Prints", a suggestion is displayed on how to position the model on the fabric.

- [Online Patterns of www.titticad.com](http://www.titticad.com): After entering the measurements and requesting the Free Preview, it is shown at the bottom of the page **Arrangement on fabric and required fabric length**.

The vertical arrow indicates the quantity of fabric required, while the horizontal arrow indicates the width of the fabric, it can be double fabric (when 75cm is indicated) or single fabric (when 150cm is indicated).

It is recommended to always take a little more (10-15 cm)
